To Whom it May Concern,

My name is Jennifer Galletti, I live and own a business in Bridgeport. I will not be able to attend the hearing in Hartford on Thursday, March 3rd involving bill HB 5408.

I strongly believe that authorities (and/or any civilian for that matter) have the right to request verification of a valid permit for persons openly carrying a handgun/firearm.

I also strongly believe that persons with a valid permit have no business carrying a handgun/firearm while intoxicated.

Please accept this written statement as my testimony.
